

Nurse/Carer and Patient Language Helper

Nurse and Patient Language Helper

An invaluable tool for all professional nurses, midwives and carers to communicate with those patients who can't speak English - simply by pointing at the most frequently used and vital words and phrases needed for patient care.

Contents include translations in 50 key languages according to the most commonly spoken languages worldwide, but also taking into account the most common migrant and refugee groups also.

Contents Summary

- Handy A5 Size, quality hard cover
- Translation in 50 languages for Nurse and Patients to 'point to' for easy communication
- Phrases and sentences trialed and selected by nurses and carers
- Translation of vital phrases and sentences required for quality care
- Language identification resources
- Supporting materials on cultural considerations
- Midwives supplement in 5 key languages
- Useful pictures for additional communication
- 256 Pages, accredited translations
- Page Marker Ribbon
